## About the Company

Retro Parke is a Turkish manufacturer of engineered wood flooring and decorative marquetry, based in the Hasanođlan/Elmadađ district of Ankara. Its integrated factory of around 11,000 m<sup>2</sup> produces roughly 110,000 m<sup>2</sup> of flooring per year, including chevron and herringbone parquet and classic and modern marquetry. Holding TSE, CE and FSC certifications, the company exports to more than 20 countries.

## Product Range

- Engineered plank flooring
- Chevron & herringbone parquet
- Classic marquetry (marküteri) flooring
- Modern marquetry flooring
- Decorative wood table art
