About the Company

Yıldız Entegre is one of the world's largest integrated forest-products manufacturers, headquartered in Kartepe, Kocaeli, with roots in an 1890 family timber trade and the company incorporated in 1982. It operates eight production facilities in Turkey plus subsidiaries in Romania and Slovenia, employs more than 5,000 people and stakeholders, and exports to over 80 countries. Its flooring is sold under the VarioClic and TerraClick laminate brands alongside MDF, particleboard, panels and doors.

Product Range

- VarioClic & TerraClick laminate flooring
- MDF & MDFlam panels
- Particleboard / chipboard
- Painted & lacquer panels
- VarioDor MDF doors
- Impregnated décor paper
